Mark your calendars and clear your schedules! 3rd grade will present the musical, *Gnome for the Holidays* on Thursday, December 12th at 6:30 PM!

When Christmas is in jeopardy, a group of cute, funny gnomes comes to the rescue while telling silly jokes and causing a ruckus. You'll be captivated with a magical story of believing in the unseen and the power of music!

Our students have been working very hard on this production and we can't wait for you to see it! We urge *every* student to participate in this fantastic show. Parents, please don't let your child miss out on this wonderful performance opportunity!

APPAREL: Our students should dress like gnomes! We'll have pointy hats for them to wear and you get to be creative on their apparel! Boys could wear plaid shirts with suspenders and girls could wear a dress with an apron and their hair in braids. These outfits could all be in festive Christmas colors.

SHOWTIME: On the night of the show,

the *3rd grade actors* should be in Mr. Tyler's room at 6:15 PM. *The remaining 3rd grade students* should be in their classrooms by 6:20 PM. The program will start promptly at 6:30 PM. Parents, please give yourself plenty of time to park and find a place to sit.
